

Meet your district learning goals with Epic School Plus!

Paid for by schools and districts, Epic School Plus gives educators and students 24/7 access to over 40,000 books—in and out of the classroom.

Equitable learning.

Not every family can afford to fill their home with books or purchase an Epic Family subscription. Epic School Plus gives every kid the opportunity for reading success. Downloadable books mean they can read and learn even when WiFi is spotty.

A world of books.

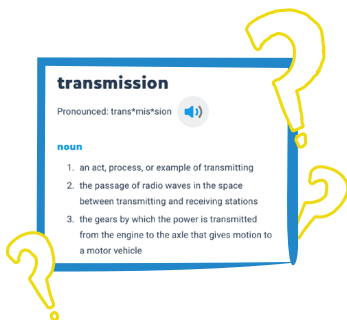

Epic School Plus gives students 24/7 access to over 40,000 books, audiobooks and learning videos. Whatever their interests or reading level, there's something for them to get excited about.

Reading reports.

Our teacher dashboard lets educators track their students' reading progress. They can log in anytime to see how long students read for each day, what they read, quizzes they took and assignments they completed.

Your Class Summary

	25 Students	10 Books Finished	2.5 Hours Read
STUDENT NAME	Monday	Tuesday	Wednesday
Katy D	20 mins	0 mins	0 mins
Travis G	0 mins	32 mins	11 mins
Tj M	11 mins	32 mins	11 mins

Engaging at every step.

Reading badges keep kids coming back to read more. While built-in learning tools—like end-of-book quizzes and Dictionary Lookup—help strengthen students' reading comprehension and vocabulary skills.

Teachers love us.

Over 2 million teachers use Epic in the classroom. 87% of Epic Educators say Epic helps their students grow as readers, while 90% think Epic helped their students catch up from pandemic-related learning loss!
